VI. Course Policies

Attendance

Class attendance is expected of students at North Carolina Central University and represents a foundational component of the learning process in both traditional on-campus and online courses. Students should attend all sessions of courses for which they are registered for the entire scheduled period and are responsible for completing all class assignments. All class and residency attendance are mandatory. Instructors will keep attendance records in all classes. Observance of videoconferencing etiquette and in person meetings is mandatory. Put cell phones and any other devices away including laptops that are not for the purpose of class. Punctuality and participation are necessary to accomplish the goals of the course.

If there are extenuating circumstances that come up, it is the student's responsibility to inform the instructor of any authorized absence and to make up all work. Points will be taken off from the participation/ disposition grade for unexcused absences, unexcused lateness, and lateness of assignments.

Respect

Students are expected to assist in creating and maintaining an environment that is conducive to learning. All members of the learning community will demonstrate such respect by refraining from distracting, discourteous, or harmful behavior. Students are expected to practice classroom confidentiality: in other words, whatever is discussed in the classroom is expected to remain in the classroom. Emotional safety is paramount. Disrespecting another's racial, religious, gender, sexual, or other identity; attacking another's point of view etc. will not be tolerated.

Confidentiality: During Group Work

Sharing in group can be anxiety-provoking and personal and all information discussed in the group needs to be kept confidential. This means to not discuss any information shared or the reactions of any member of the group with anyone outside of the group. As self-exploration is an integral part of this course, you must decide for yourself what and how much you want to share about yourself. You will not be evaluated on the basis of how much or the nature of what you disclose about yourself; however, to get the most out of the experience, you are encouraged to challenge yourself and take interpersonal risks.

Assignments

All assignments must be completed and turned in via canvas on time. Late assignments are subject to grade penalties. Five points will be deducted for each day the assignment is late. If you do turn in an assignment late, please *email* the instructor.

All written assignments are to be typed in Times New Roman, 12-point font, double-spaced, with 1” margins and a cover page. All sources used must be referenced in APA style. Cover pages and reference pages are not counted toward the required page length.

VII. University Policies

Academic Honesty Policy

North Carolina Central University views academic honesty as a critical value protecting the transmission of knowledge. Academic dishonesty is a serious violation and includes providing/receiving unauthorized assistance with papers, projects, and exams; presenting, as one’s own, another’s words/ideas without acknowledgement; presenting the same papers/projects for credit in two classes without explicit professor permission; and using undocumented internet information. The use of any form of AI (Artificial Intelligence) on class assignments such as papers would be considered Academic dishonesty. Academic dishonesty will result in a grade of “F” in the course.

Statement of Inclusion/Non-Discrimination

North Carolina Central University is committed to the principles of affirmative action and nondiscrimination. The University welcomes diversity in its student body, its staff, its faculty, and its administration. The University admits, hires, evaluates, promotes, and rewards on the basis of the needs and relevant performance criteria without regard to race, color, national origin, ethnicity, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, veteran's status, or religion. It actively promotes diversity and respectfulness of each individual.

Student Accessibility Services (formerly Student Disability Services)

Students with disabilities (physical, learning, psychological, chronic or temporary medical conditions, etc.) who would like to request reasonable accommodations and services under the Americans with Disabilities Act must register with the Office of Student Accessibility Services (SAS) in Suite 120 in the Student Services Building. Students who are new to SAS or who are requesting new accommodations should contact SAS at (919) 530-6325 or sas@nccu.edu to discuss the programs and services offered by SAS. Students who are already registered with SAS and who would like to maintain their accommodations must renew previously granted accommodations by visiting the SAS website at www.nccu.edu/sas and logging into Eagle Accommodate. Students are expected to renew previously granted accommodations at the beginning of each semester, preferably during the first two (2) weeks of class. Reasonable accommodations can be requested at any time throughout the semester; however, they will not be effective retroactively. Students are strongly encouraged to contact their professors to discuss the testing and academic accommodations that they anticipate needing for each class.

Students identifying as pregnant or other pregnancy-related conditions who would like to request reasonable accommodations and services under Title IX must register with SAS.

Confidentiality and Mandatory Reporting

All forms of discrimination based on sex, including sexual misconduct, sexual assault, dating violence, domestic violence, and stalking offenses, are prohibited under NCCU's Sexual Misconduct Policy (NCCU POL 01.04.4). NCCU faculty and instructors are considered to be responsible employees and are required to report information regarding sexual misconduct to the University's Title IX Coordinator. The Sexual Misconduct Policy can be accessed through NCCU's Policies, Regulations and Rules website at www.nccu.edu/policies. To create and preserve a classroom atmosphere, whether in-person or online, that optimizes teaching and learning, all participants share a responsibility in creating a civil and non-disruptive forum. At all times, students are expected to continuously conduct themselves in a manner that does not disrupt teaching or learning. Your responsibilities as a member of the North Carolina Central University community are outlined in the [NCCU Student Code of Conduct](#) (Code). The [Code](#) outlines disciplinary procedures, behaviors that are subject to disciplinary action, hearing procedures and the consequences that result from violating the [Code](#).

In addition to community standards to which all students are accountable, the Code outlines the requirement to abide by all other rules, regulations, policies, procedures and guidelines issued by the institution.
